- Expertise in financial analysis, forensic accounting and investigations.
- Experience in expert determination and mediation.

Marian Cantrell is a Chartered Accountant with over 20 years of experience. She has assisted the named expert on over 30 occasions.

Marian has worked on litigations in the UK courts, and investor-state and commercial arbitrations on behalf of claimants and respondents with disputed values of up to £750 million. She has prepared reports for expert determination and for use in mediation.

She has broad sector experience including within the IT, telecoms, construction, mining, utilities, entertainment, hospitality, and finance sectors.

Marian has also assisted clients with insolvency disputes, fraud investigations, professional negligence cases, and financial restatements for large corporations. Prior to joining HKA, following an initial background in audit, she worked in forensics at Evelyn Partners, Haberman Ilett, FTI, and PKF. In total, she has worked on over 60 projects as a forensic accountant.

Marian specialises in forensic accounting for disputes, with a focus on the assessment of damages for breach of contract, mergers and acquisitions disputes, shareholder and joint venture disputes, and loss of profits. She has extensive experience producing detailed analysis of financial and contractual information.

Marian holds a degree in geology and is a fellow of the Institute of Chartered Accountants in England and Wales.
