Nicole Drescher is a Certified Public Accountant with more than 10 years of business and litigation consulting experience. She has assisted the named expert in forensic accounting and economics damages issues on numerous occasions.

Nicole has assisted counsel representing both plaintiffs and defendants in legal disputes in US state and federal courts, as well as in arbitrations in the United States and internationally. She is experienced in managing large project teams and has consulted on several matters with claimed damages in excess of US\$500 million.

Nicole has provided consulting services on a variety of financial, economic, and accounting issues arising out of investigations, business disputes, and civil litigation. She has consulted on behalf of Fortune 100 companies and others across many different industries, including financial services, construction, aerospace, entertainment, insurance, manufacturing, financial institutions, and professional services.

Nicole has extensive experience involving lost revenue, lost profits, increased costs, delay and disruption, business valuation, financial condition analysis, and other economic damages issues. She has conducted funds tracing and other forensic accounting analyses, including the investigation and analysis of fraud allegations and reconstruction of accounting records.

Nicole is a member of the American Institute of Certified Public Accountants and the California Society of Certified Public Accountants. She graduated *magna cum laude* from Pomona College with a degree in mathematics and a minor in economics.
