Tyler J Donnelly is a forensic accountant with over 10 years of experience. He has been appointed as an expert on more than ten occasions.

Tyler was the named expert in a wide range of financial disputes at state and federal courts and has prepared and authored detailed expert reports used in the adjudication, negotiation and resolution of disputes. He has provided expert testimony in disputes of up to US\$20,000,000.

Tyler has had leading roles in investigating white-collar crimes and allegations of fraud. He has led teams in matters encompassing the False Claims Act and regularly provides consulting in bankruptcy and insolvency, shareholder disputes, and internal investigations. He is also widely experienced in the evaluation of construction cost claims.

Tyler specializes in highly complex commercial damages investigations and lost profit calculations. His expertise includes a wide range of financial analysis, forensic accounting, and construction quantum damages.

Tyler holds a bachelor's degree in accounting and is a Certified Public Accountant, a Certified Fraud Examiner, and a Certified Information Technology Professional in Accounting. He is Certified in Financial Forensics and is a member of the American Institute of Certified Public Accountants and the Association of Certified Fraud Examiners.
